

ENERGY SAVER REBATE APPLICATION WITH UTILITY RELEASE FORM

Instructions to Homeowners

- Within 120 days of closing on Fix-up Fund Loan, the Fix-up Fund Borrowers (Homeowners) must submit this completed Energy Saver Rebate Application to participating Fix-up Fund Loan/Energy Saver Rebate Lender.
- Rebates will be processed only for completed rebate-eligible improvements described below.
- The full cost of the Rebate-eligible improvements must be financed with Fix-up Fund loan.
- Rebate amount is 35% of cost of completed rebate-eligible improvements that were financed with Fix-up Fund Loan.
- Required attachments to this application are:
 - Paid receipts for all rebate-eligible improvements; and
 - Utility Release Form signed by Homeowner.
- Rebate amount cannot exceed \$10,000. One rebate per household.
- Rebate funds are administered by the Minnesota Housing Finance Agency and will be paid on a first-come, first-served basis.
- Questions regarding program participation, loans or lenders should be directed to **Minnesota Housing at (800) 710-8871 or go to www.mnhousing.gov**
- Questions related specifically to energy efficiency and rebate eligibility may be directed to the **Energy Information Center at (800) 657-3710 or go to www.energy.mn.gov**

Contractor(s) must certify that the work listed above is eligible for the Energy Saver Rebate. Attach additional sheets as needed.

Minnesota Data Privacy Act/Tennessen Warning:

The Minnesota Data Privacy Act requires that certain information you provide on this form remain as private data. The information about you that is collected on the Energy Saver Rebate Application will be classified as either public or private data. Public data will be accessible to the public. Private data about you will be accessible only to you and State personnel who comply with program and reporting requirements. The data you give us about yourself is needed to:

- Identify you;
- Contact you in case of random program or energy use evaluation;
- Comply with certain federal and state reporting requirements;
- Evaluate program effectiveness; and
- Administer the Energy Saver Program.

If you choose to supply all of the requested data, your rebate application will be processed on a first come, first served basis in accordance with the unreserved-rebate program guidelines. If you refuse to supply data requested on the rebate application form, your application will not be processed. By submitting an application you are consenting to allow your information to be shared between Minnesota Housing Finance Agency and the Department of Commerce, Office of Energy Security.

Site Inspection and Records Audit:

Recipients shall provide the Minnesota Department of Commerce, Office of Energy Security or its designee with reasonable access during regular business hours to all records maintained with respect to all payments/received by recipients from OES and other Payers for any services rendered. OES or its designee has the right to conduct periodic site inspections for project compliance and audits of records to determine if amounts have been properly paid. OES shall provide recipient with the results of any such audits and any amounts determined to be due and owing as a result of such audits shall be promptly repaid to OES. This provision shall survive the termination of this Agreement.

Coordination with other incentive programs

- Homeowners may not receive an Energy Saver Rebate if they have received or will be receiving a rebate from the Builders Association of Minnesota (BAM) Project ReEnergize.

Some rebate-eligible improvements may also qualify for utility rebates and the Federal Energy Tax Credit for Energy Efficiency. Please assist us with the following survey question about your plans for accessing other funds

This project was made possible by a grant from the U.S. Department of Energy and the Minnesota Department of Commerce.

UTILITY RELEASE FORM

You are participating with the Energy Saver Rebate Program which is administered by the Minnesota Housing Finance Agency and funded with American Recovery and Reinvestment Act funds through the Minnesota Department of Commerce, Office of Energy Security. This program involves energy efficiency improvement installations and may require analysis of your energy consumption history in order to report on the cumulative energy savings of the program.

I hereby give my permission to any duly authorized representative of the Minnesota Department of Commerce, Office of Energy Security to receive energy information from energy suppliers about my energy consumption.

I release the Minnesota Department of Commerce, Office of Energy Security of any and all liability for supplying or requesting such information. This shall be in effect until I state in writing that it is no longer valid, provided it's been in effect for at least 24 months.

I, _____ (please print)
authorize my utility providers to release energy usage information about my account.

Name of Heating Fuel Supplier/Gas Utility: _____

Name of Electric Utility: _____

Name on Account: _____

Street Address City State Zip

If billing address is different than the above address, please provide the billing address.

Billing Street Address City State Zip

The undersigned certifies that s/he is an authorized representative for the above account and has the authority to request utility billing information.
